

Jacob Laren

SENIOR GRAPHIC DESIGNER
VIDEO EDITOR & PRODUCER

Summary

Versatile graphic designer and multi-disciplinary artist with two decades of experience in print design, digital media, and visual storytelling. Proven ability in video production, sound editing, AI workflows, and copywriting. Managed day-to-day operations of an international yoga school for 10 years. Growth mindset and an attitude of gratitude.

Objective: contribute my passion to a purpose-driven team.

Experience

September 2021 - January 2026 | Remote (Seasonal)

Sr. Graphic Designer – *PlanetART*

- Selected for escalated, complex, and B2B print design, supporting premium clients and high-visibility deliverables.
- Produced custom layouts, presentations, and branded assets under strict turnaround requirements.
- Rehired 5 consecutive years, signaling reliability, speed, and quality performance under pressure with challenging deadlines.

January 2024 - January 2025 | Remote

Sr. Specialist – *Edwards Lifesciences*

- Designed executive PowerPoint decks, corporate proposals, and communication materials for senior leadership in Global IT.
- Produced foundational Generative AI training documents for the global communications team to streamline production workflows.
- Designed enterprise-wide templates, infographics, and visual systems supporting Agile Method, Enterprise Architecture, and Copilot integration initiatives.

August 2022 - June 2025 | Remote

Art Director – *Bliss Boogie Festival*

- Owned end-to-end visual identity, including brand logo and standards, large-format prints, vinyl event banners, and venue maps.
- Managed production timelines and offset press vendors to deliver on-site assets for physical installation.

March 2011 - March 2021 | Santa Cruz, CA + Remote

Chief Operating Officer – *Source Yoga School*

- Managed day-to-day operations, oversaw branding, marketing communications, and digital commerce for a global education organization with monthly in-person workshops.
- Designed core brand assets, presentation materials, and instructional handbooks, as well as product packaging and book covers.
- Led operational logistics for multi-day, international programs for more than 400 students annually, including travel, meals, and housing.

Past: Creative Director, Vapure USA, 2009-2014 | Graphic Designer, BWP, 2007-2008
